Revelation / October
Home / Online Plan

Beginning the Family Discussion: Start with prayer. Use the Invite process from the first page of Chapter 1 in one of the children's (grades 1-5) books, or the **Pray It!** section from the middle school book.

Introduction to Revelation for parents: In this unit, we learn that God's communication of himself continues throughout our lives. God reveals himself to us through creation, Scripture, Tradition, and most especially through the Person of Jesus. We also come to know God through the many personal, communal, and historical experiences we have. As we continue to respond to God in faith, we grow in a deeper and more intimate relationship with him. Continued study, prayer, and meditation with Scripture help us to understand and apply God's Word to our lives.

Together, view this video as an introduction to the theme of Revelation and Creation and discuss the question:

- What is your favorite part of creation?

Each child will then complete the following chapters in their individual books (these chapters can be spread throughout the month or done in one or two sessions):

Chapter 1

Key Concept: God loves and cares for all creation and has a plan for the world. Everything God wants you to know about him is contained in Sacred Scripture and in the Tradition of the Church.

Once all chapters have been completed, c**ontinue the Conversation**

- Discuss: How is God revealed to you? In whom do you see God? Where do you see God?
- Together, come up with something your family can put into practice this month as a result of your discussion. Write your ideas here:

Together, **close with a prayer**. Choose from a student book, or try a spontaneous prayer, such as having each family member name something they are thankful for, or a traditional prayer, such as the Our Father.
